“ Rest in Heaven Mrs. Lottie, you will truly be missed. I remember all the laughs I've shared with you when Rodney would bring me to your home in Cradock. And how you welcomed me with open arms. You were a small woman with the biggest personality I've ever seen. And we loved that about you. You are adored and loved by many. But especially by your grandson (mimi) Rodney 😊. So take your rest Queen and sleep peacefully...
From your granddaughter in law Zenda
