“ *Mrs. Louise I miss you so much! You were such a wonderful grandmother to Verlon and were such an important part of our lives. You were like and second mom to me as well as a good friend. I miss our daily calls. I find myself looking at the time and realizing that I can no longer call you or that the phone will no longer ring with a call from you. I am so grateful to have known you. I miss you so much my friend. Rest peacefully in heaven.*
