“ *To the family of one of the most beautiful spirits I have ever met in my entire life I'm deeply saddened also. I met Sister Elliott as a pre-teenager years ago as she was an active member of the Prayer Partners Radio Ministry with Dr. Rachel Harris. There has never been a moment every Saturday when I walked her to her car where she couldn't sense ANYTHING within my spirit whether good or bad. She would always offer personal prayer and an support as I can hear her now saying "good boy" as she gently pat my cheek twice, hug me and encourage me through the week. She has always been in my heart and now to know that our father was ready for her to step into another phase she shall be saluted unto God. God bless the family and I wish you all calming spirits day by day!*
