“ Mother Rogers was my Church Mother, my heart holds a place for her. She always made time for children, to correct in her stern but sweet manner, to teach and nurture, and to lavish them with hugs, kisses, and the occasional sweet treat :)

My prayers are with you, for I know she is greatly missed. May the God Spirit that was in her live on, that we may shine as she shined.

Sincerely,

“ Barbara, your mom was an inspiration to me, I met her at one of the Barrow/Mackey family reunions. I learned that she helped to organize the first one in 1987. Being a military family, we did not make the earlier ones. (One of my aunts sent a booklet of the first one) we were stationed in Alaska at the time. She was a special lady and will be missed. May God comfort you in your time of bereavement.##imported-begin##Grace##imported-end##

“ Dear Barbara,
For as long as I can remember, your mother was special to me and I felt her love every time I saw her. Through the power of God, she was a wonder and an "Elect Lady." I can only imagine how you will feel through the days ahead but I know that you will be strengthened because you know "Whose" you are. I am so sorry that I could not be with you today but know that you, Robin, Jewell and Brandon are in my thoughts and prayers.
With the Love of Jesus and for the sake of cherished friendship

“ Aunt Lula was a wonderful person. No matter what we faced she always brought a smile to peoples facees. God has placed her in our lives for great things. This young lady brought our family closer. We should enjoy one anothers presence while they're living, because you don't know when the sweet Lord will call you home to be with him. When he does we all will be reunited with our lost ones. So to Aunt Lula I love you so much.##imported-begin##Briana Harrell##imported-end##

“ May the love, time, care, and memories that you have shared with your mom, grandmom, or great grandmom be a comfort to you at this time of sadness. Remember Christ went to prepare a place for her, so that where He would be she would be also. It is great to know He loves us that much. So picture her happy, well, and with her Saviour. Llife was great with you guys, but life will be prefectly wonderful with the Lord. You will see her again and she will welcome you to your heavenly home just as she welcomed you to your earthly one when she first laid eyes on you. Be happy for her, she's younger than springtime.
