“ To My Dear Uncle Bubba...miles may have kept us apart more than we would have liked but once I stepped foot in the state of VA, I always made it a mission to come see you before I left!!! You may not have known but I always asked my mom; your sister...where is my Uncle Bubba, so I can just love on you one time while I'm home. For only God knew and understood your heart but your niece loved you whole heartedly no matter what...Unlce Bubba I love you now & forever. Visiting VA just got a little sadder & a little heavier...I will miss you Uncle. May your soul finally rest & be at peace. "My precious child, I love you and will never leave you. Never, ever, during your trials and testings. When you saw only one set of footprints,It was then that I carried you." May God carry you on home to your final resting place in heaven. With forever love -your niece; Ja'Nea
