“ Marquis, you are missed at Map. Know that our Heavenly Father makes no mistakes for He does all things well. Your little angle will be watching over you. When I lost mom I said to my husband, "Shes gone!" And he said, no she isn't, shes in your heart. So Marquis, cherish the love you have for Malik. My prayers will continue to be with you and your family. Am here if you need me. Love you! -

“ To my nephew Malik:
I was so excited to hear of your arrival. I could not wait to see my baby brother be an awesome father (like our father). Your father and I talked of plans of us getting together either in Atlanta or Virginia so I could hold you and spoil you. The Lord wanted you home before I could get to see you. I never saw you but miss you so much. I trust and believe the angels are giving you all the kisses and hugs now. Rest sweetly my nephew.

We love you
