“ *The Salley family sends condolences to the family of Ms Bernice Brown. She was a childhood friend of our Mother. We grew up listening to the many adventures that they shared in Brighton. Bernice was a Mother and Auntie to all. She was loved by everyone. We will truly miss her presence and her voice on phone late nights. Especially her talks about Dallas Cowboys and Judge Judy. Beautiful woman.*

“ *Words simply do convey my sadness at the loss of "Ms. Bernice." She has known me since before my mother was pregnant with me-- and I'm 64 years old. I cherish the stories she shared with me about her hardships in life. She was one of the first "working women" I knew. The stories she shared helped shape the woman I am today to some degree. For you young people who think you are having it hard on a job--you should have had the great privilege of hearing her story. There is so much that can be said, but I will simply say losing Ms. Bernice is like losing a mother. Rest now, in the arms of our Loving God.*

“ *This loss feels like losing a mother. "Ms. Bernice" was one of my mother's closest friends. She's been in my life - all of my life, and I'm 64 years old! She and my mother were friends before I was ever thought about, let alone born. She could remember when my mother was pregnant with me! My life has been shaped to some degree by the stories she shared with me about her life. I will never forget them. She was one of the first "working women" I knew. For those young people today complaining about your job, I wish dearly you could have talked to her about what she endured--you'd realize that you're walking on easy street! There's so much more I can say, but I'll simply say, "Rest now Ms. Bernice. You'll be missed but never forgotten. Thank you for being one of the people who shaped my life for the better. I am eternally grateful."*
