“ Hi Chic,
(aka Margaret to everyone else)

Happy Birthday to Us!

I can't believe you've been gone 6 months.

I wanted you to know how grateful

I am to have had you in my life!

I miss your laughter and stupid jokes.

I miss you singing show tunes, most of which were way before my time ;).

I miss beating you at Scrabble and Canasta and sharing all our secrets over a cup of tea.

I miss your pep talks!

We always had each other's backs!

As much as you were my BFF,

you took on the role of sister, mother, grandmother to Ab.

So much love and joy woven in those 39 years!!

Happy Happy Birthday Bestie. I know you're in heaven partying like the old days! Love you! Cheers! 🍷 🍷 Susan
