

## Marianna Barnwell Sims

July 11, 1945 - January 31, 2023

Our beautiful mom passed away on January 31, 2023 from a long battle of covid and pneumonia. She was a very giving and caring mother. She was always there for you when you needed her. Her unique smile was one of a kind. Her exquisite taste in Oriental. She loved her birds, raising and nursing them back to health was her passion. She volunteered at a bird sanctuary with Mrs. Dolly. African Grey was her favorite.

Marianna was loved by her family dearly. Her son, Randy meant the world to her; her daughter-in-law, Arlene and her son-in-law, Ross.

She loved her doggies. Little Man, Hershey and Coco will miss you mama. She loved her drag racing in her early years. Marianna passion of art, painting was beautiful. And she had a secret cake recipe she loved to bake.

Mom, you were a Ray of Sunshine in all of our lives. You will forever be missed and will forever be in our hearts.

“ *I have a million memories of our lives together in Mechanicsville and lately of our precious conversations on the phone. I've been searching online trying to find out how she was since her phone was no longer in service. This morning I found her obituary. She went through so much. I'm so thankful for her to be at perfect peace with her Lord. Thank you Randy for your loving care.*
