“ To you I send my deepest sympathies for the loss your queen. For that's what mothers are supposed to be considered after having giving of themselves to give life to us. Carry on with the strength of her love and the love of those around you.

“ To the love ones and family of Marilyn, I would like to extend my condolences during your hour of bereavement. I was Marilyn's classmate, roommate and travel buddy. We had such wonderful times together going to eat at various places, enjoying her infectious laughter as no one else could laugh that way, and just to enjoy the very simple things of life. She was a woman who loved the Lord, family, children, grandchildren, and friends. In the natural, I am still trying to wrap my mind around the fact that we will no longer share our adventures. However, spiritually, I rejoice that she is in the presence of our Lord. We all loved Marilyn and she showed us that same love in return. She will always be remembered for her kindness. To the family: I pray that your love and faith will sustain and comfort you.

Respectfully submitted,
