

Marion Christen Dunn

November 13, 1944 - August 3, 2022

On August 3, 2022, we lose our mama, sister, nanny and friend Mrs. Marion Silvia-Dunn.

Marion was from Newport Rhode Island and moved to Newport News, VA in February, 1980 for the rest of her life.

She was the Rock of the family. All loved her, family and the ones she couldn't see. We always shared pictures of the ones she couldn't see and always had the biggest and greatest smile and she was proud of all of them.

Mama loved to cook and feed you all the time. Her house was your house too and she would say "help yourself" with a giggle. Mama was a tiny woman but could do most things. Always cleaning and always saying "my house is tiny", knowing her house wasn't and we would chuckle.

She loved her furry babies, Minnie Mouse and Lexi Lou like her children or more.

She was dear and near with her family and friends. She loved her General Hospital Soaps. She loved her flowers while living so she could enjoy them not when dead.

She always had a saying "act like you know" and "see you later alligator. Mama was a firecracker and then so sweet as an angel, always welcoming but quick to call you out, haha.

She is preceded in death by: Dorothy Phillips (daughter), Elsie Packham and Edmond Silvia (parents), Wilford Marchand (stepfather), brothers: David Silvia, James Silvia and Charles Marchand.

She leaves to cherish her memories: a daughter, Donna L. Santos-Gonzalez; a son, Mark A. Santos; a brother, Edmond "Buddy" Silvia; grandchildren, Joey Enyart, Stephanie Enyart, Danielle Santos-Martin, Angel Phillips, Ashton Plott, Zachary Plott, Brittany Santos and Kelly Brown; 11 great grandchildren; a dear friend, Joe Joe and many family and friends.

“ I met Miss Mama Marion when I was young, she was always like a second mother to me. She was always there for me. Such a wonderful lady who gave her care to everything that she did, she was just such a beautiful person inside and out. She will forever be in my heart and my soul and my mind. May she always rest in peace and have the wings of the angels that are flying down looking at us everyday. I love you Mama Marion and will always miss you.
