“ Mark was a great friend & a remarkable human being. We had some good times together & I will really miss him. Its been almost 30 yrs since I have seen him. I was looking him up trying to get back in touch with him when I found his obituary. The years have really flown by fast but have many fond memories of him. I actually knew him the same time he met his wife Cher & knew her before I met him. I visited them often at their house in Orlando until I moved to North Carolina & just lost contact. I am sure he is missed by many.
