“ I would like to express my sincere condolences to Tona, Mark’s family, and friends. There are no words that can express the loss of such a great man. Mark leaves a legacy that few can match. He never met a stranger, and his smile was contagious. God was his strength. Mark knew that a man could not work for Salvation, but rather, he knew his works would be evidence of his faith. Mark was a man on fire for God, and anyone who knew him, knew this to be true. God was first in his life; however, he was fiercely dedicated to his wife, family and friends. Mark never complained, but was always concerned with others, the very thing God expected of him. I am proud to have fellowshiped with him, and am proud to call him my brother. I will miss our phone calls and texts. Mark achieved what many of us hope for; I know he heard those precious words, “Well done, my good and faithful servant.” We should all hope to be the man that was Mark Norman Reginald Knight, Sr.

My Brother Mark, I appreciate your guidance and friendship since I became one of your brothers in the State Police Organization. Over the years it's hard to find good brothers such as yourself and you will surely be missed by all. God knew that he needed a terrific man/ Trooper up there to keep things in place. Take care my brother!
