“ I want to express my sincere sympathy to the Ballard Family and extended families for this difficult loss. I was extremely saden to hear of Rita's passing.

Our families have been so much more than neighbors. I am so grateful for the time we spent together, the decades of joy, laughter and shared experiences. I sure you all an abundance of loving memories to draw from and may those memories bring you comfort at this difficult time. She was always a loving delight even in her ailing years, she still exuberant that special feeling of joy she often left me with. I so vividly recall my recent visit weeks ago with Johnny and Rita and will forever hold it dear.

God be with each of you
