My deepest heartfelt condolences. I wasn't blessed to know this young man, but my Mother, E. Loretta Miller, is your neighbor and she seems to think very highly of this man and the family. I'm truly sorry for your loss and I pray that God will grant you peace that surpasses all understanding

I will never forget the first time I met Marvin Whitfield ,he trained me at Sussex II State Prison.His kindness and professionalism I will never forget.And that was in 2002 and I'm still here,been here since 2001.When he resigned form Sussex he made sure he kept in contact with many of us.He was a true friend.I will never forget the time Tracy when you and Marvin celebrated my 40th birthday with me and my family,friends and other Coworkers.And when you both came to one of Sussex II Christmas Party that I had told you both about.Those memories will forever be in my heart.Im so sorry for your loss.I wish I had of kept in contact.May God give you strength each and everyday to get you through this time of sorrow.Praying for you and your Family.God Bless you Tracy

“ *Where do I begin? One thing I know Marvin was good at was cooking greens. He was so proud to share his mastery in the kitchen. Always Marvin and his lovely wife Traci was so hospitable. To watch Traci care for her husband was so beautiful to watch. I admired their unity of love through thick and thin always joined at the hip. My love for this family is undying. Thank you for your friendship, your laughter and advice. You will be missed dearly. Rest assure we will take care of your precious jewel Traci. Our deepest sympathy a friend for life - Shelby, Jonathon and Jazmyn Cullom*
