

Marvina Louise Walker

January 6, 1966 - March 18, 2018

Our beloved Marvina Louise Walker, was called home to be with the Lord, on Sunday, March 18, 2018. She was born on January 6, 1966 in Pittsburgh, Pennsylvania to her loving parents Willie Mae Wooten & Ernest Coley. Marvina lived a very lively and active life while growing up in Pittsburgh and the other neighboring cities. She was very energetic as an adolescent and was well known for her humor and athleticism. In 1984, Marvina graduated from East Allegheny High School as an accomplished scholar and renowned track-and-field athlete. Upon graduating high school, Marvina took the oath to serve this great country in the United States Air Force. A few years after joining the military, Marvina was blessed with the birth to her first-born and only daughter, Quinesha Jones. Marvina was later blessed with the births of her three handsome sons, Quintin Wooten II, Christian Walker, and Torian Walker. Marvina was a dynamic and dedicated mother from the second she gave birth to her first child to the second she left to be with God. Her children and grandchildren were able to observe first-hand her ability to fight against adversity in every battle that manifested itself. She was the epitome of strength and perseverance during the most trying of times. Marvina always expressed that her strength, power, and willingness to fight was deeply rooted in the love she had for her family. Her life and legacy will be remembered by her Mother: Willie Mae Wooten, four children: Quinesha Jones (Jesse), Quintin Wooten II, Christian Walker, and Torian Walker, grandchildren: Justyce Jones and Jaylen Jones, brother: Michael Wooten, nephew: Jason Wooten,

niece: Jessica Wooten, and a host of family & friends. Her father, and the reason she was such a die-hard STEELERS fan, Ernest Coley, preceded her in death.

“ In Loving memory of my friend *Marvina Louise Walker* I am honored and blessed to have known you as my childhood friend AKA the M&M girls. You always inspired me through your determination and the ability to face and overcome many life obstacles I will always remember the childhood memories that we have made together. One of them is watching you run track and field, girl you know that you can run.

I am sad that I can't come to visit you again, which is one desire I will not accomplish, but I know your faith in God I take great joy in understanding that I will see you again in Heaven.

Unto her children whom I have not had the pleasure of meeting I share in your pain and hurt for your mom. Although there is nothing I can say to make you better stay strong and remember all the things she has you and continue to make her proud. I remember vividly when I lost my mom.

We will never forget the image of her gentle and bright face and how her spirit and character brought us great joy always brighten up our day.

*Always in prayer,

“ *Marvina was a great friend and beautiful person she was like a sister to me we met in 7th grade and had been friends for over 30 years. We kept in touch with each other no matter where she was. She did not complain about her sickness but said I'm going to live my life to the fullest and she did that her children and grandchildren were her joy. My Friend your battle is over Rest With God! You will always be in my heart! Michele (Key-key) Dent*

“ *I first met Marvina many years ago at Ramstein AB Germany. She was Airman Wooten then, and worked for me in the Castle Garden dining Facility. Marvina was a strong supervisor who knew how to take care of business, but cared about her troops as well. While in Germany, her family and mine spent many joyous moments together, whether it was pot luck dinners or military affairs. Marvina was never afraid of a challenge, which wasn't surprising she made SMSGT. She was always the epitome of professionalism and demanded it of the folks that worked for her as well. As a role model, there was no other. Through the years we kept it touch, and I'm so sorry to hear of her passing. We had a chance to visit a couple of years ago, and it was just like old times, laughing and cracking jokes. She was a great friend and will be truly missed. My prayers for the entire family, the fight is over, Marvina is resting now.*

“ *We were stationed at Ramstein FAB in Germany over 30 years ago, my middle son Tory's godmother. We watched a lot of movies together, she was part of my family. One night when she came back from being on leave, she called me crying, I sent my husband to get her, she stayed the night, we went back to her apartment, we laughed so hard, mice had moved in and she moved out, left everything, she was small but moved so quick, I have some many fond memories of you Marvina, I love you, the battle is over, you will be missed, RIP*

“ I served with Marvinna in Germany. She was a hard working, rock solid friend. I looked forward to working with her every day and we shared lots of laughs. When she PCS back to the states I was very sad because I knew it would probably be the last time I would see her. I was so glad to have reconnected with her on Facebook but sad to know she was sick. Rest peacefully dear friend..I'll miss you always.
