“ My dear Aunt Mary,
Probably everyone either have or has had an “Aunt Mary” in their lifetimes, but thankfully, I’ve had two. Your unconditional love and support for our entire extended family has been immeasurable. Your support to my immediate family during the passing of my Mother and your Sister in 1989 caused me to believe that you and my other aunts took up the mantle...“to serve in the absence of Mother.” Thank you for your undying support, love, encouragement and for reminding me of the strength and courage of my Mother. When you called me to tell me of your illness, you said, “God as been good to and I have lived a good long life. My only hope is that I can bear my illness the way that your Mother did hers. She never stopped smiling and she bore her pain with courage and strength.” Those parting words will ALWAYS stay with me, and guide my actions for the rest of my life. Thank you for always reminding us of the importance and value of family and loved ones. Your example and entire life has been about strength and resilience. Love you always. Rest Well, and enjoy your reign with God and your family there in heaven.

Your nephew, LaVoris
