“*Mary was a likeable person. I meet her when she became a resident of Consulate Health Care. She had so many delightful imaginative stories to share. She always met me with a smile and a hug. You are my friend she would say. When it was time for me to leave she would walk me to the door and say I love you. I am so sorry for your loss. I miss her smile when I visit the unit.*

“*Mary was a special blessing to us every Friday as we ministered at Windsor Consulate Healthcare. She sang beautifully and often gave testimony of her faith in Christ. We will miss her and look forward to singing with her again in Heaven.*
