“ The service was beautiful. I wish I could give each of you a physical hug. I love you all!

I have many memories of aunt Luellen; her sense of humor, being a pleasure to just be around and her cooking skills. She had a beautiful spirit. I will miss her. We will miss her. My thoughts and prayers are with uncle Robert and the family at this difficult time. Please remember there is no sorrow that heaven cannot heal. “ *My Aunt Lullen, what can I say that would do her justice. A beautiful lady inside and outside. By way this is Chevelle Fields. I remember when my uncle left for basic training she cried all day long that day. She loved uncle Robert. I didn't understand but as I got older I did. I have memories that will last me a lifetime. My aunt coming come and all of us laughing, cooking, and staying up half of the night. She would be sitting in the recliner and just laughing and talking about the good old days and sometimes asking me to go get her something. She called me Vell and sometimes bump just to get everyone laughing. We were raised like sisters. She always reminded me of the time that I was peeping through the keyhole at her. "She would say, I see you, I see you, and she would just laugh." Good old times, good memories, good eating, good fun, good cooking, nothing like her German Chocolate Cake, we would all be waiting for that cake. I will miss you but God knew what was best so he took her home to live with him. Rest Aunt Lullen and enjoy your new home.*

“ Combs family know that our thoughts and prayers are with you in this most difficult time. Mom Combs was a mother figure to all of the children in the Babenhausen community. She always offered wisdom and love and for that we are forever grateful. God bless the family and remember to be absent from the body is to be present with the Lord. Our deepest sympathy.
