“ To Delores Williams and to the entire Moore families-
My thoughts of deepest sympathy have been with you since I first heard about your precious loved one. I too loved her dearly. There is still a sense of disbelief and sorrow no heart could ever be prepared for...and though your heart must hold deep sadness at the loss of your mother, grandmother, great-grandmother, aunt, great aunt, godmother, mother-in-law, and dearest friend, may it also hold the blessings of the life you shared and the love that will always be a part of you.
With Deepest & Heartfelt Sympathy

“ *Kelvin, i want to offer you my sincerest condolences for the loss of your beloved mother. I know in times like these words can do very little to ease the feeling of loss. Please know that if there is anything i can do to help through this time of sorrow, all you have to call. I'm here for you no matter what the time may be. Until i get back to Norfolk, please know that stars will be shining brighter and the sun shining brighter because of your mother. WITH GREAT RESPECT BILLY##imported-begin##Billy L Adams##imported-end##*
