

Matthew John Senter

January 13, 1975 - March 23, 2022

Matthew "Matt" Senter passed away on March 23, 2022, at the age of 47. He is survived by his parents, George and Patty Senter; sister, Megan Senter; uncle, Herman Senter and aunt, Kathryn Gettys. He is also survived by his many cousins who he loved like siblings. His younger brother, Brent Senter, preceded him in death in 2019. Matt grew up in Norfolk, Virginia and graduated from Maury High School. In high school he attended the Governor's Magnet School for the Arts. He then attended Virginia Tech and James Madison University. He was a gifted artist from the time he was a child, excelling in drawing, painting, and digital art. Many of his pieces were religious in nature and reflected his steadfast faith in the Lord. While Matt struggled with bipolar disorder, he never hid from it. He accepted it as a part of who he was and used it to try to help others who battled similar issues. You could always count on him to pray with you and for you. His acknowledgment of his struggles is a testament to his strength. He often shared about how his faith in Jesus carried him through the most difficult times. He spoke of Jesus as a true friend. Matt is now at peace with his Savior. In lieu of flowers, please consider a contribution in Matt's memory to NAMI: National Alliance on Mental Illness at nami.org

The service will be streamed on the First Norfolk website and the church Facebook page.
