“ I will always remember my father Sonny telling me how he would often pull Aunt Mattie's hair, she had long thick hair when they were little. I would remind him of her because my hair was long and thick. Last time we saw each other face to face was at the family reunion in New York. Aunt Mattie said that she can see Sonny in my face. I know she is rejoicing right now with her mother, father, sisters and brothers who passed over before her. Peace to her family.

With much love Eileen

“ Auntie I love and will miss you so much. We made a promise many many years ago that we would NEVER tell our age and take a nap every day. We held onto that promise and joked about it often. Rest in peace with your sisters.

“ Auntie you're going to be missed dearly I'll always remember the phone calls of you calling down south telling my grandfather to have one of us send you some of those good ole onion sausages from the meat market 🤔🤔 definitely going to miss the times that you have came down south to spread so much love to each and everyone of us ❤️❤️❤️❤️ Rest easy baby

“ Grandma, I will miss you dearly. I can still hear your laugh as I think of the wonderful memories of when we lived with you. The smell of your cooking, sorting pea pods, hanging laundry, you asking me all the time if I still love you...and when I said I did you would ask a favor that you know I would have done anyway. Thank you for teaching us all grandkids what love in a family looks likes. I will forever cherish the time with you, and will love you forever. Rest well Grandma

“ She always had the biggest smile to light a room. She loved baseball and basketball, couldn't stand the Lakers. Her and my dad will joke about basketball. She always hosted Christmas family dinners and would make sure everyone had a plate to go. Im go miss my girl!! Love you grandma mattie!
