“ *Dear Cynthia & family, I worked with Mike at Ft. Eustis for many years. He was a dear friend. We shared much laughter and many prayer requests during those years. Please know I will be praying for your family. Our loss is truly heaven's gain. I am so sorry for your personal loss. I wish I could be with you tomorrow for the service. I have another funeral service that I will be helping the family with meals at that time.*

“Michael was a very dear cousin to me. One of my favorites. He could brighten up anyone's day with his charismatic smile and his sincere kind disposition. I'm grateful that the Lord blessed my life with such a genuinely kind and loving person. He made me a better person because he showed me there are actual God loving beautiful hearted souls in existence. He was a rare gem and his memory will always be cherished within my heart. I've never met a kinder gentler soul. He blessed my life by being in it and leaving me those warm wonderful smiles and hugs to cherish forever. I will always miss him yet he will always be in my heart. To Cynthia , sons and family, I love you and may God comfort you with knowing that such a wonderful soul is at rest peacefully surrounded by the loved ones that he missed who have went on to glory before him. I believe they are lovingly watching over you saying they are at peace and have found eternal joy with each other and our Lord and Savior. Rejoice, we had an Angel in our midst. He will reign forever in our hearts. God bless you.
