

Michael Dwayne Alston

May 17, 1977 - March 20, 2018

Miranda Harding and father, Michael Bennett. He was educated in the Portsmouth Public School System and graduated in the class of 1995 as a Mighty Greyhound of I.C. Norcom High School and went on to pursue his secondary education at Norfolk State University.

“Truck”, as he was lovingly known by friends, was an athlete from childhood through high school, participating in Cavalier Manor football and Charles Peete Little League baseball and played on the winning 1993 State Championship Team for I.C. Norcom . A proud, devoted, loving and attentive father, Truck was always found spending time with his children and supporting their activities. Michael had a deep compassion for assisting older people. It was nothing for him to cut an older person’s grass that he observed needed to be cut or if he saw them in need of food, he would ensure they were fed. He was always reaching out to lend a helping hand, without ever needing to be asked. Known for being a keeper of the peace, he was often the voice of reason amongst his friends. He was a strong believer in family, who loved family events, holiday gatherings and vacations. He accepted Christ at a young age and his relationship with Him grew stronger as he got older. He was also a successful entrepreneur, owning a Jani-Pro Franchise for over 10 years.

He leaves to cherish his memory a mother and stepfather, Miranda & Frederick Harding, Sr., a Father and Stepmother Michael & Beverly Bennett, one son; Jordan Porter, and two daughters Tajah Porter and Mya Alston, two sisters, Jasmine Harding and Briana Bennett; and two brothers Frederick Harding, Jr. and Christian Bennett; grandparents Alfred & Harriett Alston, great aunt Charlotte Sykes and a host of uncles, aunts, cousins and friends. He was predeceased by his grandparents Garland & Mildred Bennett and Samuel, Sr. & Ruth Harding.

“ It's sad to know that you're gone. I remember when we used to stay outside longer than everyone else at kindergarten climbing trees and hiding around the back of the church. I remember the summers at Camp Cavalier how me you and the fellas would always get in the Cavalier Manor pool before everybody else for swimming lessons. We didn't hang out as much in Norcom but we still said "What's up!" to each other and I always asked about how your grandmother was doing. The last time I saw you was back in 2008 at Food Lion by Chesapeake Square when I was visiting before I was heading back to Alaska. May you have eternal peace and rest in the kingdom of heaven my brother!

“ *Not a day go by that my heart don't skip a beat. This can't be real. I have picked my phone up so many times to call and then it hits me again. Life is so short and tomorrow is truly not promised. If I could turn back the hands of time. If I could make better decisions. If I could a one more conversation.*

“ As one of Truck's high school classmates, I will always remember him as a dude I shared many laughs with. As an adult, I will remember him as a guy who modeled what it was like to love one's mother, children, and community. To everyone who is part of Truck's fleet, I'm praying for you.

“ It saddens my heart to know such a nice young man has gone on to be with Our Father (JESUS) at a young age. When my Son (Dra) called me in tears and saying Truck had passed. I had to respond like it was a mistake, because I personally called Truck days prior. I must say Truck was truly a wonderful person inside and out. He was my Son friend to the end. They both stuck together like Elmer's Glue, but the Lord saw fit where he had to take Truck home with Him (to a better place). My prayers are with his family and May God continues to strengthen the family during their terrible loss. Love
From the Jones Family

In these 5 years we have shared sooooo many good memories and I'm Missing You like crazy... Just wish I could hear your voice again, get that phone call from you. I love you and I know you love me and that will always be. I feel like I have a huge hole in my heart that's never gonna heal. I'm crying my eyes out everyday because all I want is you. You're my guardian angel now and it's hard to process that... but I know you wouldn't want me to be like this. So continue watching over me and I'll never stop loving "My Dump Truck" You'll always be my baby!!!

“ Over the years, while at Norcom, I can truly say Mike was one student who was always smiling, always cheerful and always respectful. He could and would brighten your day. The Lord has gained an Ambassador of Goodwill in His Army of Angels!! Condolences to his family and friends.

“ To the family of Dumptruck, may God comfort you and ease the void of losing a loved one. I had the pleasure of knowing Dumptruck as a classmate at Norcom (Class of 95), he was always fun to be around. I recently saw him. At Norcom games and as always he was laughing and joking. My heart breaks as a link in our class's chain has broken. Rest easy Dumptruck. -Bean

“ I have been friends with Michael "Dumptruck" Alston since I was 14, man this has been a long road and never did I ever think that I would be writing a memory message for his funeral. I had a love for truck like no other. So many memories too many to share. My heartfelt and deepest sympathy to his mother, grandparents Mr and Mrs Alston, his children most importantly, family friends and loved ones. I will continue to pray for strength and peace during this difficult time. As I'm sitting here writing this message the tears continue to fall, I just saw him a few weeks ago at my job going to the doctor I hugged and gave him an kiss on his cheek and we told each other how much we missed each other and said we was going to get together soon, and I showed him where the doctors office was and told him to come see me before he left and he didn't, and I could never understand why, but he knew he didn't want me to worry. Fly high angel and rest easy, and know you will ALWAYS have a special place in my heart!!! I love you!
