“ I can't believe I'm writing this right now....Having to hear this news today made my cloudy day even more cloudier ( as if that is even possible). It brought back memories of my childhood watching "Poetic Justice" with Mr. Harris (Ronnie), and my mom, and me saying the man introducing Lucky to everyone at the family reunion reminded me of Mr. Mike. From then on out, you were always "Cousin Pete" to me. My sincerest condolences to your immediate family. Thank you for the support provided to my family in their time of grief. I can only find comfort in knowing you are in a better place. Rest peacefully!
