“ I was sadden when my sister called and said that Mousey had passed. Micheal was my brother friend and we became friends. I moved away 30 years ago, but Mike and I was still friends. When Mike was going through he would always call and I would lift him up in prayer. Mike and I could talk about anything we were going through. Mike would always say to me, you already know, that you are going to be alright. I remember some years ago I came home, and I saw Mike in Lincoln Park. The Lord told me to stop and tell Mike About Him. I asked him to come ride with me and he did. I rode him around talking about the Lord and on that day Mike was crying and accepted the Lord as his personal savior. I had not spoke with Mike since his birthday and my brother passing in November. One of the last times we spoke Mike said, I’m just trying to make it to heaven. I pray that God will give the family peace and comfort. Mike is alright now and I will see him on the other side. Gone but will not be forgotten rest in peace buddy. Love you Pastor Anita Harrington Roberts 🍏💔🙏

My heart was sadden, when my sister called and told me that Mousey had passed. Micheal was my oldest brother friend and we also became friends. Every time Micheal was going through he would call and I would lift him up in prayer. Even though I moved away 30 years ago Micheal and I was still friends. I remember some years ago when I came home from Atlanta I seen Mike in Lincoln park. The Lord told me to stop and talk to Mike about Him. I asked him to come ride with me and he did. I rode him around talking about the Lord. That day Mike was crying and he accepted the Lord as his personal savior. One of the last times we talked he said I'm just trying to make it to heaven. We had not spoke since his birthday and my brother passing. We could talk about anything we were going through. He always said you know already, that everything is going to be alright. I'm praying that God will give the family peace and comfort. You all are in my prayers. Micheal is alright now and I will see him on the other side. Love you my friend and you will be missed. I thank God you passed this way. ☐ ❤️ 🙏
