“ *When a soul that we love take flight on the wings of a dove we grieve. But we trust and believe there is a place overflowing with grace, where every soul is at peace and all weeping has ceased. And when that soul looks down from heaven, all they see is a legacy of love. Mike, my brother I'm so grateful that you were and always will be a part of our lives.*

Love your sister,

Sissy

“ Mike Jones – Mike Jones
This is so very hard. The distance was the only thing that separated us, but our love never changed. You made an impact on our lives that will never be forgotten. We will forever cherish those precious sweet memories of you. Rest in peace our beloved brother! We loved you then; we love you now, we will always love you.

*Dave,
 Here's sending a virtual hug and a sincere thank you for going above and beyond. The love that you have shown has not gone unnoticed.*

“ *My Brother,
Thank you for always having a warm embrace
every time I saw you. I marveled at how you
knew everything about everything and you
knew everybody. You always had an answer
and never forgot anything. I thank God for giving you a place in my
heart. I believe that you fell asleep in Jesus!*

“ *When God is in the midst defeat doesn't exist. I always revered you as the one having our father's genes as "The Thinker". We were always happy to see each other. I don't recall us ever having disagreement. I enjoyed cheering you on and remember you playing football. I also often think about how Lightning lifted you high. Love you Grand Funk. Take your rest and thank you for your kinds words to me.*

I thank you Dave for being there for him. You deserve a crown. I pray for peace you were the best Lil brother ever.

Love you Mike I see you smiling and thinking and that's how I will remember you.
