“ Sorry to hear of your great loss. Words cannot express the grief that you are experiencing. Family, please know that it is a time that you need God more than ever for such a time as this. Weeping may endure for a night, but JOY comes in the morning. Keep your hands in God's hand and he will surely direct your path.

Sorrowfully,

“ To one of my favorite uncle. I will miss the super bowl party and cookout with you. Even though you are gone, you will never be forgotten. You will always be in all of our heart, minds and love. With those thoughts that we all have of you, you will forever live on with all of us. So grab your wings, fly around and look in on all of us from time to time.
