“ I was so sad to hear about the passing of Ms. Eady. I first met her in 1995 when I started working for Portsmouth Parks and Recreation Department I really enjoyed learning from and working with Ms. Eady. We had a lot of great times working, laughing, playing cards and just hanging out. She will truly be missed.

“ I extend my most heartfelt sympathy and condolences to the Eady family on behalf of the Lamb family for the loss of our beloved Michelle. Michelle was (and is) a beautiful soul who touched the lives of so many, and her legacy will live on long beyond the moment of today as she enters her eternal resting place. We watched Michelle blossom into a beautiful rose from the tough neighborhoods of Southside and Washington Park with a determination to continue to lift all as she continued to climb to the very top of her profession at Portsmouth Parks and Recreation. Michelle was a servant leader dedicated to serving others. We pray a prayer of comfort for all, and we will keep the Eady Family deep in our thoughts and prayers.
God Bless,

“ I have been working with Ms. Eady for 8 1/2 years. She stayed professional at all times and always expected all workers to stay professional at all times, too! She cared about feeding children. She said, "I don't care if a child is in your program or not! If they are hungry, the feed them!" One message that she gave all workers during a staff meeting was, "We all need to take better care of ourselves!"

“Michelle and I met in High School at Cradock, she was freshman and I was a senior. We would see each other in the hallway she would say Shazam and I will call her Isis we would be laugh and move on. I would never thought years later that we would be working together for the city of Portsmouth Parks & Recreation. Michelle was very knowledgeable and the kids loved her especially when they did something outstanding in school she would always have a treat for them. Michelle will be truly missed. Rest in heaven my friend!!

“ I became acquainted with Michelle many years ago while she was working for City of Portsmouth Parks and Recreation. She was always pleasant and a jewel to work with in the many programs that she headed. She made sure that everything was in order for all of the activities that she was responsible for. She was the supervisor for my children when they worked for the summer programs. If Michelle called to ask for my assistance on any project that she spearheaded I would graciously agree to help. Actually, Michelle was the reason that I began to volunteer my services for Parks and Recreation. I know that God chooses all of the beautiful flowers in His garden. Michelle is truly one of the chosen ones. May she rest in peace and I know that the master is saying to her now.....well done!!!!!!

“ Many years ago, I taught Michelle social studies-history at Mapp Junior High. She was a pleasant student and well mannered student and was very respectful to her teachers. Although it was many years ago, when I would see her at the Joseph Parker Recreation Center, I was taking senior aerobics, we would always speak to each other. We will all miss her from the Portsmouth family. Mrs. Marilyn M. Goodman

“ Michelle, a 1979 Cradock Highschool Classmate embodied the awareness of who she was and who she was not... Michelle was a firm, frank, fair, and friendly person who obviously touched many lives. I think of poetry when I think of Michelle. Four words which are my mantra come to mind when I think of Michelle...Breathe...Pray...Smile...Step...
