“ *Cindi Ellison,  
As you already know, God has his plan and the plan is out of our control. Prayers are ususally for comfort and no more suffering. Part of that prayer has been answered and your father is resting in peace. Now the other part is from Pete and I that you have peace and comfort that you have done all you can do. That your father will be your guardian angel and protect you until you meet him again. We are so sorry for your loss and if there is anything we can do, please do not hesitate to call.*

*Your friend forever!*
