“ This truly was my Girl!!!! One of my moments. She would tell Trina it was cold in the shop and Trina would always say it's not cold. Trina would ask the customers is they cold, and we all would say we alright. I would wait until Trina go to that back and whisper to My Girl It's FREEZING lin here LOL. We would be talking trash how cold it is. When Trina came back, we would wink at each other like we had not said nothing. It was a Pleasure to know Mrs. Grant she was so Special to me. (Nitashua Tyson want to just say Job Well done. You raised some amazing Childrens) Take your rest. I Truly Love you LIL LADY!!!!

“ Grandma, I’m truly grateful for the 36 years we shared. I am HONORED to be your granddaughter and I’m so thankful that I was able to spend as much time and moments and memories with you until the end. Supporting you mentally, physically, emotionally & spiritually, God I thank you for the strength of my Grandmother.... Wheeew...

This Thanksgiving I meant that I would get you to cook at least one of your favorite dishes, yams! It was so precious and I will always remember this moment amongst all others. Thank you for supporting my every endeavor and my juice business as well, you always wanted to pay me for your juices as I never wanted to take your money but you said “ I am a paying customer and you have a business “ and wouldn’t have it any other way. I smile with my heart even tho I’m hurt but Gods plans are always best in the midst. You’ve always taught me to pray and trust God and I will forever continue to keep God first in all I do no matter what it is. You were so strong and grounded in an unwavering love and faith and love of God. Your smile, your little chuckles, your movie outburst during our movie times, JCPenney dressing room moments, me driving you to appointments, you driving me and me clinching my seatbelt lol, thanksgivings, holidays, trip with me to my dr appointments and so much more, I’ll miss it all. You did well Grandma and I just am thankful to be a witness of your journey. You never drank or did and other substances, which I admired the most. You were just amazing and I love that... Your particular ways...your intentional ways... your daintiness / neatness, you didn’t play about your looks and how you dressed. Girl, I’m going to miss you sooooo much, I love you to the moon and back, until we meet again, Kenya
