“*It’s hard to forget someone who gave us so much to remember.*”

“We thought of you in love today, but that is nothing new. We thought about you yesterday and days before that, too. We think of you in silence, we often speak your name. Now all we have is memories and your picture in frame. Your memory is our keepsake, with which we’ll never part. God has you in his keeping, we have you in our hearts.”

“ Ms. Naomi was a very sweet lady with a kind spirit. She would bake various deserts and give them to my brother and her neighbors in Charlestown.

Well its hard to believe she passed. Ms. Naomi was a very loving person. She would always come and visit my mom almost everyday to keep her company. I really appreciated that. Hope you get a chance to visit her again. Rest in Paradise.

Ms. Naomi was a great Mother, Grandmother, Peace Keeper and most of all a lady that loved and helped everyone she came in contact with!!! She demonstrated the African phrase "It takes a village to raise a child" I have ate a number of her home cooked meals and many fond memories of her as a child, young man and adult. I once broke her front window delivering newspapers and or course I ran she did not get mad or angry she just told my mother and laughed at me. One of her famous lines she would tell the kids of the neighborhood when we thought we were being slick was "There is nothing new under the Sun" Dexter and the family your mother will truly be missed , Although she has departed earth and ascended into heaven where she is enjoying a good time with God she is not forgotten !!! God will see you guys through these rough days.
