“ *To Clarence and your entire family I am sending God's heart healing prayers to give you all encouragement to cherish your loving memories of your love one. Always remember her warm smile and the words of encouragement that she gave to all of you. During these times look to the Lord for your strength and comfort.*

“ May God continue to comfort our hearts, embrace us with His love and keep us in His peace and care as we hold fast to the truth of His word during this time and the days to come. Grandma Nola may be absent from the body but to God be the glory, she is present with the Lord because of the confession of her faith. Love and prayers.
