“ My condolences to your family. Praying for God to give you much comfort and strength during this time and in the days ahead. we will always remember his warm smile and pleasant conversations as we interrupted his working in the yard. We lived two doors down on Opoho. He was a blessing to our neighborhood watching out, he even watched out for my grandson getting on/off bus, and even taking him to school when needed. Your dad was a jewel!!!
Love and Prayers,
Jasper and Orlena Lewis
