“ With a heavy heart I send condolences to the family. My name is Gloria Fletcher Louis I grew up across the street from your mother in East Orange. I want you girls to know she was a kind and gentle soul as a young girl And a lot of fun. I will always remember Summers on Bedford Street.  
It's hard losing a beloved parent. I pray God blesses both of you. And always know you have a beautiful guardian angel watching over you.

“ Dear Girls,

*I am Sonya Johnson a friend of your mother's from PRA we worked together for about 10 years. My heart was saddened to hear of her passing. You both are in my prayers as well as your other family members your mom used to speak of. I apologize for not being able to attend the service on tomorrow as I had an engagement I could not change the date on. I will for ever remember her smile and laugh and how much she loved her family and spoke so highly of you girls.*

*God Bless you All*
