“ Aunt Pam,

*There is not a moment or day that goes by that I don't think of you. I miss you terribly and there is a huge empty feeling inside, I love you. You were a beautiful blessing to me & my family and we are forever grateful for being allowed the opportunity to be apart of your life. I've never encountered a more gentle spirit then you. You were more than an Aunt you were a best friend a second mother you've always been there for me from day one and i'am forever blessed to have had you in my life I love you and will keep you in my heart.*

*I love you endlessly your niece*

*Akisha*
