“ Pat and I connected via email and then through many telephone calls because of our family reunion held in 2011. We were cousins, and although we never met in person, I came to know and love her from a far. Very hard to accept you are not with us. But we who are Christians know, to be absent from the body is to be present with the Lord. Take your rest, and see you in heaven. My sincere condolences to your husband and loved ones!

“ *Pat and I attended Va. State University together. We were in the same entering class but I decided to graduate a year early. She was a very good friend. Her smile was genuine and she enjoyed talking with her friends and classmates. When we communicated after college I was inspired by all that she was doing to help young people in their lives. She will be greatly missed. My sincere sympathy goes out to her family and friends.*
