“ We had so many great times at our grandparents house in Mann’s Harbor. One special memory was late one night after we had all gone to bed - the whole house was awakened by Patsy’s, and my sister Cindy’s, screaming. Because there were so many of the family members sleeping over that night, Pasty and Cindy slept in the bedroom that was haunted. If you lived in an old house in Mann’s Harbor you know what I’m talking about. No street lights, surrounded by woods, swamps and marsh and no indoor bathroom. The house was old, big and scary. Right away we all knew Patsy and Cindy had been gotten. Until they began laughing. They both had awakened and set up in bed at the exact same moment. Each one of them thought the other one was the monster. It was a very happy ending that we will never forget.  
Patsy we love you and miss you. The Lord is good and greatly to be praised. Your cousin, George Jr. (Junie-Boy, as Nanny called me)

“ Patsy is a wonderful, genuine and beautiful person; loved by my family very much. Our times together will be cherished always. From an early age on as cousins we would laugh all the time. We have very good memories of times together from my son’s wedding to spending the weekend in the outer banks; from stopping to visit in Atlantic Beach to our many phone calls since we live in another state. I am grateful we saw her in May 2023. I will always remember Patsy for her smiles and her loving kindness in her visits to see her sister in Arizona as she got older.

“ Patsy was a dear best friend. Like another sister. We talked often. Whether we were happy or sad we would talk about it. We laughed a lot ! Cried some too ! She was so generous. She would give you the shirt off her back. Her last dollar in her purse . Drive you some where . She knew no strangers. She loved to make people happy ! 😊 she loved and missed her husband Mike. She loved her cats, Princess and Scarlett and Clarence. They lived a great life with her! I'm sure they met her at the pearly gate. She suffered so much near the end. I wish I could have been there more. I live in Maryland and she in Chesapeake. She was Aunt Patsy to my children. She will be missed ! We send her prayers . Love Vivian, Ray, Justin, Jeanette , Henry, Amanda , Dallas and Travis . Let her soul be in peace ! 🙏🙏
