“ There are so many memories I have of him and Loretta. He used to come with her to the beauty shop when I did her hair. Sometimes he would let me cut his as well. He had a quiet spirit and great sense of humor. I loved talking to him and Loretta as well. He will be missed on earth but he is finally reunited with Loretta and Roger (who was an extra special guy as well). Bless the family and friends as they travel the road of grief. May God protect and bless them all.
