“ Dear Cousin Phillip, I remember you as a child and how you loved french fries and oodles of noodles and cream of wheat. I remember seeing you dip your hamburger in orange soda. We laughed so much together. We watched mj's thriller video while hiding our eyes under the bed . We were scared. Lol. You were always so much fun. I still listen to songs and remember you dancing. You were the one who understood and saw that I liked music a lot. I think you were among the very first to understand me. I will always love you. I still pray for you cousin. Love always, Jerron

“ To Frederica and family: so sad to hear of the passing of your son. I remember him as a little boy and he was a good child. Now he rests with Jesus. My prayer is that God will comfort you as only He can. Praying for you.

“ Phillip was special, loving, caring, devoted to his family, and real! Phillip and I have been friends since 97 and like many we let life guide us and lose contact sometimes but we always reconnected, was there when it was important and when we needed each other throughout the years. We understood our leoship and that's all that mattered! Phillip I'm going to miss you tremendously! My condolences to Ms. Edney because that was her ACE but also to his family and especially children that were his heart! Love always, your friend Thalessa!
