“ Wow, what can I say this woman was a mother of all mothers she was there when noone else was! She knew how to bring a smile to your face no matter what you were going through,always there with a meal or a shoulder to cry on.She taught me how to be a lady and how to conduct myself in any situation always wear a smile never let them see you angry!!!! Raising fourteen children I know there were times when she got angry,frustrated,sad,etc but you never saw that in my mom she always had a smile for and did everything in her power to help someone who was less founate then herself .Mama I remember the days when we would go out to feed the homeless in Gary, IN. in the dead of winter and I would complain about it being too cold,you would say cmon they are waiting on us,later you would say I'm just trying to teach you that "its better to give then to receive" It was then that I began to live by that motto,mom thank you soo much for being my mom I love and miss you dearly I will see you in heaven!
