“ I recalled having a joyful friendship with Portia going back as far as Jr. High & continued through High School. Sadly like most of us life gets busy & over time we loose touch. I just learned of her passing & wanted to express my sympathy to her family & love ones. I am truly saddened to hear of your loss.

Portia was always full of Life and fun, as I knew her at NNSY & P-Town. She made people smile and although, she has pass, her memories will live on and when people speak of her, it will always bring smiles!

“ *The Joy Of Portia*

Words usually come easy for me, but this truly is a time where I was not just rendered speechless but numb, and even dumb!

Undoubtedly, immobilized by the tremendous magnitude of loss and pain from this most unfortunate circumstance! Finally though, I managed to reconnect to the 'Light of Portia' and watch that light cast out shadow! Know that my heart not only aches and bleeds for you but with you during this very sensitive time! My prayers go up for you, and well wishes of GOD's peace and my love for you goes out to you!

Though I didn't have the heightened pleasure of knowing Portia as well as her dearest friends(Santia, Gloria,Zuleika&others)&closest family(mom, Derrick, Nieces etc). I was graced with the glorious privilege to know Portia! Anyone who does know Portia knows that just to meet her even for the shortest moment is to 'fall in love' with her and will no doubt be the most enriched and highest energy moment of your life! Then to continue to be exposed to her or to encounter her, even if it is vicariously, -I thank GOD to have been blessed in that way too- is to have those enriching and high energy moments only increase and get better with time!

Oh, The Joy Of Portia

*Ain't no party like a 'Portia Party',
 'cause a 'Portia Party' gone pop!
 Ain't no party like a 'Portia Party',
 'cause a 'Portia Party' don't stop!
 Ain't no party like a 'Portia Party',
 'cause that Portia love is what puts
 Her parties over the top&Portia you
 And your love will forever serenade
 Our lives and the very beats of our hearts!*

Light casts no shadow.....It just glows, and illuminates wherever it goes.

*Portia is the liveliest, most loving Super Nova bright light that one could Ever know.
Color isn't presented in just one shade.....It beautifies wherever its' acquaintance
Is made. Portia's matchless color sheds a variety of beauty upon the road of life that the fruitage of her spirit has paved.
Portia is the life of all the lovely colors that GOD gave on that first creative day.
Color paints places, fills in and fills up spaces and the hearts of the lives that it graces in various ways as does Portia's essence which is and always will be (our)
Life's extraordinary blessing!*

*Portia 'Ms. Handling Things' we love you, we will miss your presence, but
Promise to immerse ourselves in your essence making sure that you're never
Forgotten and that you will remain a part of us.*

I met portia aprox 20 years ago at norshipco, Portia added meaning to the phrase "first impressions make lasting impressions" the first time I meet she made me laugh and al most every day at work or just at social gatherings we attended. She was lots of fun, and I will always remember her for that. A FRIEND INDEED....RIP

“ It was an honor to meet and work with Portia as part of the team from NNSY that volunteered to travel to Kuwait to install "up-armor" kits to US Army vehicles to help protect the soldiers from roadside bombs and attacks. All those that volunteered showed a calling to help defend and protect those that protect us and our freedoms here in the USA. Portia exemplified those qualities with a smile on her face and a positive "can-do" attitude. Then to return to NNSY and become so instrumental in helping and nurturing others here, speaks volumes of the wonderful, caring person that she was. Portia you will be missed by those of us that had the honor of meeting and getting to know you. My sincere condolences to her family. RIP Portia

“ When Portia, May-May, Tracy, and I went out to dinner, I told Portia that her spirit, her personality, and her capability to put a smile on my face was very significant because she pulled some life out of me that I thought that gone. She made me laugh and smile in such a way that it has been months since I have been able to do so. She will be missed, but never ever will she be forgotten.

“ *It was my pleasure to be in the company of Ms. Portia Drummond. Although I only met her last year it was instant affection and not a day has gone by since her passing that I have not thought of her. What I loved most about her is she was true to herself! There was never a pretense or a moment when Portia allowed anyone to make her stray from what she believed. Nothing deterred her drive, or her spirit. She was an infection spreading warmth, love and genuine euphoria everywhere and this world will never be the same without her.*

*With deep affection,

“ Although my time with Portia was very short, we had a great time during our PMF class in Puget Sound, WA. She lit up the room every morning when she walked in, kept us all smiling throughout the day and commanded attention from everyone she addressed. A very proud woman, and proud of her Shipyard. She will be missed.

“ *My thoughts and prayers go out to the Drummond Family for your loss of a dear loved one. I was an NNSY Shop 38 mechanic when I worked with Portia in Charleston S.C. a few years ago and she was a beautiful, delightful, and funny young lady. I really enjoyed working with her on that training sub down there and she just kept things "stirred" up in a playful way. She was about her profession when it came down to her work on some of the piping joints and she did it well because they didn't leak at all. What I will miss most of all, was her infectious smile and laughter that could light up a room. May the Lord Jesus comfort the family and friends. R.I.P. Portia, you are already missed.*

“ *In our earthly time, we all may feel it was a bit early for you to depart. But in God's timing, you must have heard his voice saying well done , my child for a job well done. Your spirit of love and joy was awesome and you touched a many lives with it and hope that it will radiate and reflect in their lives as they continue their legacy to instill love and joy into the many others as they pass through. Thank God for the opportunity to work with you and yes you were a joy to be around even at first site. That is the way I will remember you henceforth and forever more. My condolences to the family, loved ones , your son, friends and the many lives that you may have touched along the way. May the peace that surpasses all understanding and the joy of love abideth with the many in your absence whom hearts and spirits are a bit heavy in this time of now. May God bless strength as you would request for them to move forward and continue along the way. For the time is nigh for all souls to love, live and embrace the joy and peace as never before that they may make a difference as you have in a many of lives. God bless. RIH Portia*, you have earned your wings, homeward bound, for we all are only here for a little while.*

It was my pleasure to meet and know Portia. We worked together on various FWP projects. She was always so upbeat encouraging. She came down to the Code 1170 a week and half before this horrible tragedey to get a new passport and she was bubbly and smiling. Her presence just changed the atmospher. My prayers are with her family and friends.
