“ *Our memories of QuaShawn is that he was an unique baseball player. He was so great at this sport! We loved hearing the stories about his games and actually seeing him in action. He had great potential and my cousin Mike (Qua Grandpa) was with him every step of the way ensuring he showed up to practice and games. My cousin Linda (Qua GrandMa) was there to wipe every tear when Qua was down about a game and worked to fix every little sore he received from a game. My cousin Maria (Qua Mom) encouraged and motivated her son to press on no matter what. Qua had a very supportive team behind him and they will continue to be there for his children because that is what family does.....We Love Yall Cousins Tahj and Tia Parker*

“ Sending my sincere condolences to Marie, Mrs Linda and family. I pray that your family will get through this. May your love and memories of your love one give you comfort and strength. Lord please take care of this family and all the other families who have lost their love one to gun violence. So many broken hearts.
