“ Aunt Queen ... I purposely avoided writing this ... In my mind that meant closure... The end of my love and relationship with you. But then I realized, "Mj ... TRUE LOVE NEVER dies" and because of that I realize it's okay to write ... to express my inner feelings .. even to let you go... to that special and precious resting place GOD has prepared just for you.

You were always so loving, caring and full of so much wisdom and inspiration. Who does that ... except they be sent by GOD! I remember our talks and in those talks for the first time, I understood what you saw in me was much more than just your niece. Never once did I feel unwanted in your space.

Your final service is today. Wow! How do I thank you for being such an incredible Lady of God! How do I thank you for the feelings of worthiness you gave me... they are my personal keepsakes and memories that no-one can ever take from me, And; then what about that unconditional, beautiful smile that no matter the storm, the sun would shine again! Wow Aunt Queen, I'm so blessed to have spent the time with you when I did. I love you sooo much Your presence and your spirit will forever be felt and missed.

I gotta go ... Peace for now ...

Love Eternal,

Your Niece, Marilyn (Mj)

Momthere are no words that can ever began to be papered of how I'm feeling... only God knows.., as I say at your bed side night and day until your final breathe, I began to cry out of my very soul, but all at the same time I was happy because you were finally at peace and rest from all of your struggles and sufferings.. I do know that God makes no mistakes.... I will forever miss you but I'll always d forever carry you deep in my heart and I'll remember... I have no regrets for I loved honored and respected you since day one.. You knew that Lois Alfreda Mitchell, loved you and took special care of you willingly and I enjoyed every minute of it for you loved me and took tender care of me and my sisters and brothers all 11 of us ..

You were the best mother that God had to give and I was blessed to be chosen to have you as my mother.. an extraordinary example for all females to pattern after.. I love you mom.... Rest in heavenly peace my angel 😊 until we meet again...☐..💔💔😭🙏❤️
