“ I worked with Mrs.and her husband for more than a year and they treated me just like family Mr Tynes didn't talk a lot unless it was time to eat and when ever I had cookies or candy he really smiled and after he really got to know me if I told him I didn't have any candy cause I love sweets also he would say yes you do and get my purse for me to get the candy out,Mrs Queen and myself would have a good time talking about the Lord and reading the Bible together,she was somewhat like my mother in the Lord i learned so much from her that enhanced me in my relationship with our Lord the whole family was good to me than my health began to decline and she tried to assist me in my work sometimes she'd tell me to just sit down on the days I could hardly walk, eventually I had to leave because I won't getting any better but it was a honor and a joy working with both of them we also had a lot of good laughs,really they were one of the best couples I've ever worked with because we became friends and I knew they loved me, their daughter Barbara fulfilled one of the commandments to honor her mother I witnessed that she fulfilled that in word and deed so Barbara take comfort in knowing that God was well pleased in the way you dealt with your parents in there golden years which wasn't always easy becoming the parent to your parents I'm praying for you family and will continue to do so that the God of all comfort will comfort all of you as only he can,yours truly Carol Johnson

My sweet, sweet grandma...you aren't suffering anymore and all your pain is gone. As much as it hurts to know that you're no longer here, it brings me great joy to know that you're in Heaven resting in the arms of Jesus. Words cannot express how much I love you.
