“ We all have been blessed to have walked with Whitman. Blessed to have bowled with him in the Thursday league. What a bowler he was.

Words cannot express the depth of sorrow we have at this moment. We all have lost an earthly angel. By and by, we will all meet again.

We pray that the memories we heard Lillian and Whitman talk about will be powerful enough for Lillian to carry on knowing that she has lived and loved one of God's Angels.

Continue with many blessings Lillian###imported-begin###John and Jean Small###imported-end###

“ Dear Lillian and Robinaon Family,
I have had the pleasure on talking with you where you shared your personal life experiences in order to teach me! I especially enjoyed the memories you shared about how you and Bro. Quitman met and eventually married! I also enjoyed listening about the travels of the both of you and future hopeful plans! Most of all just the lightening up of your faces whenever either one of you spoke about the other showed how much you both were loved and respected! I will truly miss speaking with him at my entry door into GBC where he so eloquently performed his usher duties! My thoughts and prayers are with you all! Thank you for sharing him with us!###imported-begin###Linda L. Smith###imported-end###
