“ Your mother was a friend of mine growing up. We use to say we were twins because my birthday was the 21st. Of April, but the same year. I know she will be missed! But I know she is in a better place. I will continue to pray for the family. God Bless!

*Ramona, I have known you for almost a year, and you were such a great tenant. You were a very respectful and considerate person to me and I love you. You treated my house like it's yours, and I appreciate that about you. Ramona, you have a passion for decorating...and you were very good at it. When I walk into your house, I thought I was looking into a magazine...no joke about that. You could have won any first prize for home decorating!!*

*Whenever I have to stop by the house to take care of anything, I leave with a smile on my face. If I have to do any kind of work to the house, and ask you for access to let workmen in, you never hesitated, you were always there. The last time we spoke was about two months ago after I left your house, and you called me on the phone all excited, because your fiancé had shown me around your house...and told you that I was happy to see how much you have done to it, and how good it looks.*

*Ramona I am missing you deeply. I am leaving you with these words from John 11:25. "Jesus said, I am the resurrection and the life. He who believes in me will live, even though he dies."*

*Ramona may your soul R.I.P

“ My Friend...its been a long time since we have seen each other. However, FRIENDS is what we became almost instantly!!!!!! I have so many memories that will remain with me, as if it was yesterday.....In LIFE to have a true FRIEND IS A BLESSING....With that I THANK GOD for allowing us to have a friendship....when in LIFE some people will never know what its like to have a FRIEND. I certainly feel a void of emptyness knowing your not here physically on earth. Nevertheless, I appreciate GOD for giving me the understanding of passing over....My FRIEND GOD has given you EVERLASTING LIFE WITH HIM....I LOVE YOU, AND YOU WILL FOREVER BE MISSED MY FRIEND, LOVE YOU ....NAY

“ Poo-Poo, I can't believe you are gone. It seems like just yesterday we were sitting in my house reminiscing about good ole times we shared. I'm going to miss your beautiful smile and crazy laugh. I pray that your kids will stay strong for their kids and just remember the good times they shared with you and the grand babies. I love and miss you so much. God bless your family.

“*Hey neighbor...almost a year now we've been neighbors and we had become friends. Our last convo Tuesday evening heyyyy Dale...heyyyyy Mona...we conversate like we do...I never imagine that would be the last convo we'd shared...your death has touched me deeply...it has also allowed me to understand clearly that we don't have a clue of the second, minute, nor hour my God will choose for each of us to join him in his kingdom...no words can describe the pain or hurt your love ones are enduring...you will be truly missed...I pray that God will provide each and everyone of them comfort and strength they need to begin a life without you being physically here on earth...I want to say thank you GOD for your grace and mercy in the midst of this loss but to give you a praise for Ramona being present with the LORD.. Our hearts are heavy and our heads our filled with dislbelief but in the midst of our brokenhearts we want to say thank you LORD. Thank you for allowing us to share life and such memories with Ramona. Sending my condolences to the family in Jesus Name Amen!!!*
