“ We will truly miss being able to hear your voice. Making Chad and I laugh while giving you a ride to wherever it was that we would be going. Listening to all your stories and jokes. Just never being able to see you again is heartbreaking. You were a great friend and an OKAY poker player (LOL). Loved shooting pool with you when you were tipsy. Only way I could win (LOL). Missing you and praying for your family. I mean how could anyone ever go a day without thinking of you. So glad we had the pleasure of getting to know you and spending time with you. You will be forever missed, love Raquel and Chad.

“ *Raymond and I spent many hours playing pool throughout the years. He always had a smile on his face and a joke to share. One of my favorite memories is when my youngest son was born, he could not remember his name. He first thought it was Simon. Then he moved on to call him Foreman. Finally, the name "Simon Foreman Raymond" stuck. Raymond loved it and would tell everyone the story every time he thought of my son. Rest easy, my friend. Hug Dave for me! Keeping Sheila and the entire Hargrave family in my thoughts and prayers.*
