“ Thank you Mr. Whop for being a good role model in a young man's village. I saw you first as an umpire at my baseball games and then later as one of our band parents. Then I also seen with my own eyes what kind of men you raised as my dear friends. Thank you for your service to our community and you will forever be in our hearts. Job Well Done Mr. Whop. My condolence to Mama Tina, Brett, CJ, "Rell", and the rest of the Harrell family.

“ *I'm going to miss making Reggie laugh. He used to call me a thug, I thought that was so funny especially the way he said it and picking with me when my forty niners lost. I pray God gives his family strength when needed and tears of happiness knowing that he's in a way better place and give the rest of us the strength to keep fighting this fight until.*
