“ *I think about you all the time especially early in the morning when you would come home and mom would call me to open the door for you. You are gone Reggie but definitely not forgotten. May you rest in peace knowing your babies are all right and being taken care of and you are right where you felt the most comfortable.... Sitting in the living room. 😊😊 Mom and I joke about it sometimes when I sit in your favorite spot on the couch which happens to be my favorite spot as well... Lol!!*
